  - May 15<sup>th</sup>-17<sup>th</sup>, 2020 (Washington, DC)

## SOCIETY FOR FETAL UROLOGY

# Membership

---

### **SFU Value Proposition**

The Society for Fetal Urology is a non-profit society whose main purpose is to promote fetal and prenatal urology, appropriate practice, education as well as exchanges between practitioners involved in the treatment of hydronephrosis and other prenatal/perinatal diagnoses.

Annual membership with SFU includes:

**Excellent scientific programs** at our SFU spring and fall meetings held in conjunction with larger meetings to facilitate attendance.

**Network of Experts.** Access the SFU website and members only section to network with other SFU members.

**Eligibility** to earn Best Abstract Author award at the SFU Fall meeting.

**Discounted rate** of only \$106 for an annual subscription to the Journal of Pediatric Urology. A savings of \$209 off the regular price!

**Career Advice.** Have a question for an expert, but don't know who to ask? Send a message to us and we will do the research. Have a career related or practice question that needs an answer? Contact us. We are here to help you with any professional concerns you may have.

**Discounted registration** for the fall meeting.

Visit [www.SFU-Urology.org](http://www.SFU-Urology.org) to Join Today!

## About Society for Fetal Urology

The Society was formed to improve the care of patients with fetal or, perinatal urologic problems, especially hydronephrosis, by:

- ✓ Providing an opportunity for the exchange and dissemination of information between specialists that manage these patients. Including pediatricians, pediatric urologists, maternal fetal obstetricians, nephrologists, radiologists, and other physicians that manage antenatal genitourinary abnormalities.
- ✓ Stimulating and supporting clinical and basic laboratory research in these areas. Facilitating and improving the knowledge of physicians and other professionals that care for these patients.
- ✓ Being available as consultants to the AUA, the American Board of Urology, the Society of University Urologists and the Journal of Urology on matters related to fetal and perinatal urology, especially hydronephrosis.
- ✓ Bringing all physicians with a commitment to fetal and perinatal care into membership in the Society.
